

Tune up your life.

You tune up your car... why not tune up your life?

God designed you to make an impact on the world around you. Yet, most of us are too busy to intentionally seek His purpose for our lives. The *24 Hours to IMPACT* Men's Conference is designed exclusively for busy men like you. Think of it as a structured day away with God that will help you hear His calling for your life. It's a tune-up that's already been scheduled for you.

Pastors & Men's Ministry Leaders:

The *24 Hours to IMPACT* Men's Conference is a unique experience, designed to provide an atmosphere for a personal day away with God. Participants will be guided through a series of personal devotional times and small group discussion in the areas of their identity, mission, motivation and personal ministry. It's an unthreatening way for men to take a needed break and listen to God's voice in their life.

Conference for Men

Past participants sound off.

"If you're serious about living a purposeful life for God, this is how you start."

"Challenged my heart."

"The greatest benefit was seeing God's vision for me."

"Original, insightful teaching."

"I decided to pursue my passion, not just dream about it."
